What Others Say About Results From Herald Want Ads

ORANGE MANUFACTURING CORP'N NEW YORK. THE NEW YORK HERALD

We cannot refrain from expressing our opinion in this manner about The New York Herald Help Wanted

Work Herald Help Wanted medium.

We have been using the Help Wanted column of nearly every worth while paper in New York city, including the foreign language papers, but from nowhere have we been getting such gratifying results as from The New York Herald. We find from experience that one insertion in The Herald is quite sufficient to bring the desired results, not to say snything about the class of workers attained through your medium.
